# Data Science Dojo

☆

Hosted by AI & Machine Learning Community, M&G Prudential

An exciting oppertunity to work with real-life data sets in the offices of one the leading financial servces firms in the UK. M&G Prudential proudly sponsors this event to promote the technological transformation of the financial industry. Come along with some free pizza and drinks.

How it works

Participants will be divided in small groups (3-6)

You will have the chance to tackle some real-life problems

All tools are accepted... but we do love Python and R!

When and where

Every third Thursday of the month

M&G Prudential office Laurance Pountney Hill. London EC4R 0HH

Schedule

6pm
Get around + pizza tasting session

6:30 to 6:40pm
